

Classic 310/311

RAISED-PANEL WOOD

Central and East Region Availability

300 Series, 4-4 panel, Custom stain finish

classic.
luxurious.
strong.

Accent your home with the beauty and richness of a Classic raised panel wood door. Our tradition of incomparable craftsmanship, blended with modern technology, provides the finest wood doors available.

DOOR CONSTRUCTION

Workmanship and quality beyond comparison

- Each section is constructed of 1-³/₈" thick solid wood rails and stiles. The Model 310 features DecaTrim™, optional hemlock or cedar panels; Model 311 features rails, stiles, hemlock or optional cedar panels, stiles and rails.
- Raised panels are ³/₄" thick solid wood and locked into place. A variety of carved designs for raised panels are optional.
- Mortise and tenon joints, waterproof glued and steel pinned, provide lasting strength.
- Shiplap style connections between sections create a weathertight fit and assist smooth operation along with rust-resistant, hot-dipped galvanized steel tracks and hardware.
